Joe Longthorne: Rescheduled Date

13th June 2017

Dear Customer,

We regret to inform you that Joe Longthorne's concert, due to play here at the Pavilion on Saturday 24th June, has been unfortunately postponed.

Joe has recently been going through tests and also a change in medication which regrettably has made him unwell. Unfortunately, Joe came down with a chest infection and he was admitted to hospital yesterday. Due to this, his management and doctors feel it would be best to reschedule the remainder of his June and July dates to give him time recuperate.

We are delighted to have rescheduled this date to **Saturday 2nd September 2017 @ 7:30pm**. All original tickets purchased for the 24th June will still be valid for this new date and we hope you join us in supporting Joe by keeping your best seats originally purchased for his June date.

However, we understand that this date may not suit all so if you are unable to attend the new date, if your tickets were purchased by credit or debit card over the phone or online, please contact the theatre box office on 0141-332-1846 to refund this direct onto your method of payment card. Anyone who purchased by cash, please return the tickets to the box office for a cash refund. All refunds must be completed by **Wednesday 28th June**. Unfortunately, after this time, no further refunds can be processed.

We apologise for any inconvenience and disappointment that this may cause but hope you can join Joe on his rescheduled date and we all wish him a very speedy recovery.
